## FOR ALL SHIPMENTS

The Minneapolis Convention Center **does not accept** exhibitor shipments for this event. Please use one of the below options if you need to ship anything for your booth.

## SMALL SHIPMENTS

If you are shipping exhibiting materials in individual boxes or cases, please send them through your hotel. Contact your hotel directly to confirm they can receive your items and note any fees they may have. (For reference: Hilton charges a handling fee of \$10-25 for each box under 40 lbs and \$25 for each box 40 lbs and over.)

For return shipments of individual boxes or cases there is a UPS Business Center at the Minneapolis Convention Center, open until 5 PM on Wednesday.

## INCOMING FREIGHT SHIPMENTS

If you have a **palletized** freight shipment that cannot be shipped to your hotel, you may ship it directly to the below address for a \$150 (per pallet) fee and the pallet will be placed at your booth when you arrive and returned to Impact Mailing for pickup.
