

## An Overview of Faith Bible Chapel of Randolph, NY

Faith Bible Chapel is an independent, non-denominational Bible church located in the small town of Randolph, NY. We are in southwestern NY about 70 miles south of Buffalo near I-86 midway between Jamestown and Salamanca. We are theologically conservative in nature and evangelical persuasion. We hold to the integrity and absolute authority of the Holy Bible as God's inspired Word. We view the 66 books of the Bible as our first principle and the absolute and final source of truth in all matters of faith and practice, taking precedence over all human creeds and opinions.

We are currently searching for a lead Pastor Teacher who will serve full time as one of our Elders and will be financially supported by the church body. Faith Bible Chapel was formed some 41 years ago from a series of home Bible studies, and we have stayed strong in the core doctrines of the Christian Faith. We categorically believed that we should be loving, compassionate, and kind to others, but we must never stray from a correspondence view of truth or bow to political correctness. If you are interested in more information , including our doctrine and mission statement, please search our church website [www.faithbibleny.com](http://www.faithbibleny.com).
