Preaching: Finally, for the first time in 7 years I am teaching preaching again at the seminary. I love teaching these cohorts of about 16 men in each. The task of heralding God's word is glorious! These men are so gifted + so eager to be used of God in this way. What a privilege to teach them! What a joy!

So these are my glimpses of 2020 through the encouraging lens of God's providence: Rigney. Covid. Riots. Providence (the book). Preaching. We have good reason to sing with William Cowper: "The clouds you so much dread are big with mercy, and will break in blessings on your head." Rejoice with me that over every bitter providence we can write: "Satan meant it for evil, but God meant it for good."

The young men + women at Bethlehem College and Seminary are passionate for Christ + his truth + his mission. It is a privilege to be a professor + Chancellor of this school. Thank you for making it possible. We would love for you to press on with us in your financial support and any other way God leads you.
