The body at ZCC takes a I Corinthians 9 approach to providing for a pastor. Along with a full-time salary, a recently-remodeled home, insurance, continuing education, vacation, and retirement benefits are offered.

ABOUT THE CHURCH

Zion Community Church is a non-denominational, conservative church, whose congregation has been established since the late 1800s. The pastor has retired after seven years of ministering in the church. Church membership consists of 40+ households representing multi-generations, and Sunday morning attendance averages 120 with several large families in regular attendance. The Steward Board, consisting of five elder-qualified men, provide substantial pastoral support and oversee spiritual matters of the congregation. The Worship Team embraces a philosophy of ministry that emphasizes the truth of Scripture, leading a variety of hymns and conservative contemporary song selections. Zion is a member of the IFCA (Independent Fundamental Churches of America).

Weekly church ministries:

- regular Sunday School and Sunday Morning Worship
- AWANA (Sept-April)
- mens' and women's prayer groups
- in-home and nursing home Bible studies

Additionally, members of the church provide prison ministry services, participate in Meals-on-Wheels, lead VBS annually, and sponsor numerous conference and outreach events.

THE HARVEST IS PLENTIFUL

In December 2023, ZCC moved into a newly constructed 14,500 sq ft facility to allow for much needed expansion in seating, educating, and fellowship. As the church draws from several neighboring communities, it is evident that Zion Community Church has an opportunity to minister to people who are hungry for Truth!
